FRISCO DEMS

Updates for the Frisco Democratic Club PAC

BLACK HISTORY MONTH

As Vice President Harris said, "I am the first but I will not be the last." I take my role of community servant leader seriously.

February marks the start of concentrated outreach efforts of historically marginalized communities. Here in Frisco, all are welcome, and all voices in democracy matter.

Welcome to the New FDC!

The Frisco Democratic Club is the official PAC of Frisco Democrats. We have a whole new look, new logo, and our website is all new. Our redesigned website has a lot of new resources and information for anyone in Frisco interested in Democratic ideals and community work.

Our Logo Story

In the city of Frisco is our iconic water tower. We combined a heart, from the sculpture in Frisco Square, with our beloved water tower to create our logo. We hope this logo represents our continuous efforts toward equality and unity in our community.

In order to get Democrats elected in Frisco, we have to work together. We need Precinct Chairs for all of our City of Frisco Collin and Denton County precincts. PCs will work to build a neighborhood community network for positive change!

We need volunteers to help register people to vote, share information about Democratic candidates, share social media posts, organize events, and work to unify Democrats in Frisco.
