CONSTITUENT LEGISLATIVE ACTION

The 117th Congress is underway in Washington D.C. and the Texas 87th Legislative Session is underway in Austin. As these national and state legislative sessions progress, and bills move toward a vote in the U.S. House, the U.S. Senate, the Texas House, and the Texas Senate, FDC will notify you of actions that you should take as a constituent to support or oppose bills. We will always provide you with information from vetted sources and our position will align with Democratic ideals. Watch your email and our Facebook, Twitter, and Instagram for details!

They influence our air & water quality, schools, libraries, police/ firefighter funding, & roads. FDC will be hosting a forum for all our local City Council & Fisd candidates in March. Early voting is April 19-27th, Election Day May 1st.
